This Financial Services Guide describes the services we provide and is designed to assist you to decide whether to use them. It also describes how we are remunerated, our professional indemnity insurance and how we handle any complaints you may have.

## Our services

We hold an Australian financial services licence that authorises us to provide financial product advice and deal in life insurance products (including investment and life risk products) and superannuation.

## Life/risk insurance advice

We are specialists in life risk advice. Our risk insurance advisory services will assist you to:

- + Identify your risk insurance objectives and develop appropriate goals and strategies,
- + Obtain advice on insurance policies and how to implement them, and
- + Identify and arrange life insurance protection policies that are suitable for your needs.

Your risk insurance adviser will be employed by us and will give you other documents when providing these services, including:

- + **Statements of Advice (SOA)** - Any advice about your personal circumstances will be set out in a Statement of Advice. This will also tell you how we will be paid for our advice. If further advice is provided to you, this may be recorded in a Record of Advice and a copy will be available on request.
- + **Product Disclosure Statements (PDS)** - If we recommend that you acquire a financial product we will provide you with a Product Disclosure Statement containing information about the product's features and risks.

We act for you when giving personal financial advice and arranging products we have recommended for you.

If you only need simple life insurance advice, we may refer you to NobleOak Life Limited for assistance.

## How you can instruct us

You may instruct us in person, by phone or email. It is important that you provide us with complete and accurate information otherwise our services may not be appropriate for your needs.

If your circumstances change, our recommendations may no longer be appropriate. Please tell us about any changes in your circumstances so that we can confirm that your insurance continues to be suitable for you.

## How we are paid

### Life/risk insurance advice

If you purchase a product we recommend, we will receive upfront and/or ongoing commission from the product provider. Unless your SOA says otherwise, we will not invoice you for our services. Depending on the product you purchase, we will receive commissions of 30-77% (incl GST) of your initial annual premium and 0-22% (incl GST) of subsequent renewal premiums.

This is paid by the insurer and is not an additional cost to you. We will clearly disclose any commission that we will receive in the SOA we give you.

We may also charge a 'review service fee' from time to time, depending on any additional services you require.

If you cancel an insurance policy within the first 12 months, to cover the cost of our advice, we may require you to pay us the lower of \$2,500 or the commission we are required to repay to the insurer.

## NobleOak Life Limited

If you purchase life insurance through NobleOak, NobleOak will pay us 16.5% (incl GST) of your initial premium and 16.5% (incl GST) of each renewal premium.

## Who we pay

Our employees receive an annual salary. Our risk insurance advisers are also entitled to receive a performance bonus which is dependent on their meeting a range of criteria, including in relation to new business, meeting our compliance, continuing education and client service standards.

If you have been referred to us for life/risk insurance advice, we will pay a percentage of the commission we receive to the person who referred you. You may ask us for details of the amount we pay before we provide our services.

All referral fees we pay will be disclosed in the SOA we give you.
